

Biographical Sketch of Effie Mae (Fleming) Fuller

Believed to have been written by Elsie Ellen Fleming

Born at Pepin, she attended the Hicks Valley school until she finished, then attended Pepin High, and then taught the Little Plum School. She was married to Orlo L. Fuller Aug 24. 1893 at Maiden Rock, Wis, both teaching in the Stockholm Schools the following year, and living in Stockholm, where on June 4, 1894 Gla Russel was born at the Fleming home in Hicks Valley.

("Euphemia" was her correct name. Little wonder that she preferred "Effie" or Mae)
