

Beatty---Wheeler

Marlin L. Wheeler, son of Mr. and Mrs. Geo. Wheeler of Pepin, and Miss Elsie M. Beatty of Knapp, Wis., were united in marriage at St. Paul last Thursday, May 28th. The groom who has grown to manhood here, and who last year graduated from the Pepin high school, is one of our most promising young men. He has been employed the past year by the C. J. Thies Lumber company and has been working at the branch yard of that company at Knapp, where he met his wife. The young couple returned to Pepin on Friday and will remain here for a time as Mr. Wheeler is at present working in the home office of the C. J. Thies Lumber company during the absence of Mr. Thies. Later they will make their home at Knapp. The many friends of the groom here extend congratulations.
