Great Private Tours
Great service - Great places - Great memories

We have been working closely with a terrific company called "Great Private Tours" who offer tailor made tours for OAT (which means fewer people, more personal service and guiding and less time wasted picking people up from different hotels).

This is a wonderful day out in the country, going on a bush walk through Mountain Ash and gum trees, visiting two quaint villages (Olinda and Sassafras) and the possibility of seeing kangaroos in the wild.

Includes homemade lunch at a local café. This is not a "wow" day, but a gentle, restful one in the countryside.
