

# M/S NORDLYS

**Year built:** 1994; **Year of refurbishment:**2019;  
**Passengers capacity:** 590; **Beds:** 471; **Gross tonnage:** 11,204; **Length:**121,8m; **Beam:** 19,2m;  
**Speed:** 18 Knots.

## **Boarding**

Prior to boarding you will receive an envelope with your boarding card. On the envelope you will find your cabin number and our dinner seating time. The boarding card must always be with you. It is your cabin key, and it is used to check in/out of the ship and for meals.

## **Cabins**

The cabins are small but have what you need to be comfortable. There isn't a safe deposit box in the cabins, but reception can store valuables for you.

## **Cruise Card**

When you get onboard, I recommend that you connect your credit card to the boarding card in the reception. It can be used to buy ship excursions, souvenirs from the shop and drinks from the bar and restaurant. You get charged once at the end of the trip instead of multiple times.

## **Dry Air**

The ship is on a closed AC system, so the air in the cabins tend to be a bit dry. Wet a small towel and let it dry in the cabin, it makes a difference.

## **Getting on and off the ship**

Always bring your boarding card when leaving the ship as the crew will scan the card when we get off and on the ship.

## **Hygiene**

Please be aware that bacteria and viruses spread fast on board a ship. Hand hygiene is very important. For your own safety, make sure to always wash your hands before leaving your cabin. Please get antibacterial soap for your hands every time you enter the ship from outside or enter the restaurant. If your cabin mate gets sick, both of you will be quarantined in your cabin for 24 hours. The captain has the right to make you leave the ship.

## **Laundry**

The laundry is self-service and costs 30 NOK per wash, including detergent. You pay at reception and ask them if you need help with anything.

## **Meals**

All our meals will be in the main dining hall. Breakfast and lunch are usually buffet with open seating and dinner (with some exceptions) is at a set time with assigned seating. The time for dinner is in your envelope. It is important that we are on time, so we don't delay the later dinner seatings.

## **Ports**

The ship stops in 34 ports along the coast. Some stops are very short cargo stops and others are longer, and we will have a chance to get off the ship and explore. The ship also stops during the night and can be a bit noisy, so I recommend using ear plugs.

## **Reception**

The reception is open 24 hours. I'm always available for you but if you need help with something specific regarding your cabin (temperature, toilet, etc....) don't hesitate to contact the reception.

## **Ship Excursions**

Hurtigruten offers a lot of excursions along the route. We have our own activities in ports along the way but in certain places the ship's excursions can be a nice alternative. If you are interested, talk with the Expedition team on board, or you can ask me for recommendations. Please be aware that all the ship excursions are non-refundable!

## **The Toilet**

Please, only throw the ship's toilet paper in the toilet, as it is a sensitive system that easily gets blocked up.

## **Wi-Fi**

We have internet included and you will be provided with vouchers for the internet, either in your boarding envelopes or from me when we are on board. Each voucher is valid for 2 devices for the whole trip.
